Comprehensive Social Care Management for Better Health Outcomes

## The Top-Rated Platform For Social Care Management

Addressing social determinants of health (SDoH) helps ensure access to high quality care, improves individual and community health outcomes, and supports cost management.

Findhelp provides a closed-loop referral management platform that seamlessly connects nonprofits, healthcare providers, social service agencies, community organizations, and others, enabling coordinated interventions to address SDoH and improve health equity.

Build Your SDoH Program on the Nation's Most Engaged Social Care Network

We maintain the nation's most engaged network of community social care programs, a search engine used by millions to find resources they need, and the top-rated referral platform to coordinate social care for better health outcomes.

From a comprehensive screening and referral system to our Marketplace fulfillment program, coding and billing workflows, and actionable analytics, the Findhelp platform has the tools you need to manage and grow your SDoH program.

Key Advantages of the Findhelp Closed-Loop Referral Management Platform

CREATE TRUSTED NETWORKS

We build successful social care networks of trusted community partners to ensure timely, quality interventions for your at-risk populations.

INTEGRATE FINDHELP WITH YOUR EXISTING SYSTEMS OF RECORD

We partner with care management and electronic health record (EHR) systems to integrate social care into your existing workflows, making it easy to determine eligibility, assess, refer, and track outcomes.

SUPPORT HEALTH EQUITY QUALITY MEASURES

Social care and health equity quality measures, whether legally required or voluntary, are an important differentiator for your organization. Our policy team closely monitors updates and regulatory changes so that we're ready to support and advise you.
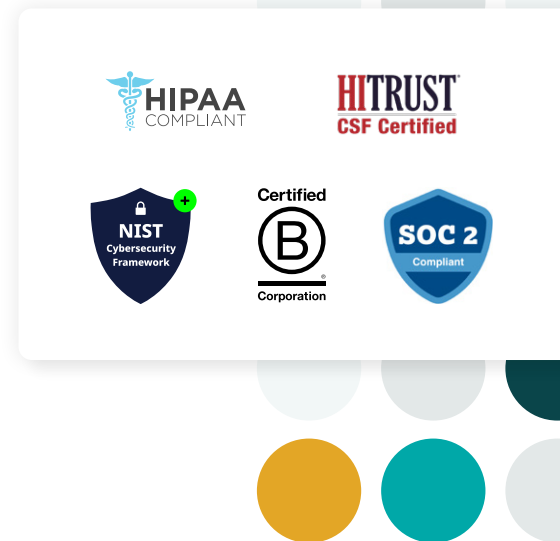

EASILY ORDER AND DELIVER SOCIAL GOODS AND SERVICES

Our Marketplace fulfillment technology allows you to order social goods and services for direct delivery. Navigators can send groceries or diapers, set up rides to healthcare appointments, support fulfillment of value-added benefits, and much more.

Protecting Privacy, Earning Trust

Trust and privacy are essential to protecting dignity. Findhelp protects social care information under the same strict standards required for personal health information (PHI). We are committed to maintaining compliance through rigorous guidelines and certifications.
